About This Content

A look at the stars twinkling in the clear night sky can amaze children and grown men alike. But what mysteries lie beyond the edges of our planet? Fly into the adventure and exploration of deep space with Discovered Space Planets!

Whether you're looking for a powerful ambient piece for your rocking space opera or prefer a slower space melody for those quiet moments of exploration, Discovered Space Planets won't disappoint! Featuring a musical combination of modern and futuristic sound, each theme is unique while still a part of a larger narrative. Several themes include vocalizations, there to add a dramatic or spiritual touch. Created by Bittersweet Entertainment, this pack is a must-have addition to your growing library of resources.

Features:

- 22 BGM themes covering the depths of space.
- Material fitting a vast variety of moods and scenes.
- .M4A and .OGG formats.
- Tested in and formatted for use in RPG Maker MV.
